

Norwalk River Watershed Association Has Been Chosen As A Kayak for a Cause Spotlight Charity

Each summer for the last 12 years, kayakers have joined together to paddle across Long Island Sound and raise money for their favorite charities as part of Kayak for a Cause (KFAC).

This year KFAC XII has chosen NRWA as a focus charity. Consider NRWA as your Chairity of Choice when you take part in the KFAC activities on Saturday July 21st at Calf Pasture Beach in Norwalk. For more information, check kayakforacause.com.

KFAC is hosting monthly happy hour gatherings in South Norwalk to help raise money and spread the word about the event. Check back here for dates and times in the coming weeks.
